Have you ever wanted to star in a play you helped create?
Join us this summer, as students learn all about theatre by
doing it themselves!

The participants create their own character, plot, props,
costumes, title, and everything else that's needed to make the
production complete. You get to play the part you have always
dreamed of!

The final stage is a free performance of their original play for
parents, family, and anyone else who wishes to come.
